

## 圖例二、場所標示板

The diagram shows a rectangular sign with a double-line border. Above the sign, a horizontal double-headed arrow indicates a width of '三十公分以上' (30 cm or more). To the left of the sign, a vertical double-headed arrow indicates a height of '六十公分以上' (60 cm or more). The sign contains three columns of text, all in vertical Chinese characters. The rightmost column reads '液化石油氣容器串接使用場所' (Liquefied Petroleum Gas container serial connection use place). The middle column reads '串接使用量' (Serial connection usage amount), followed by a circle and the characters '公斤' (kg). The leftmost column reads '緊急聯絡人' (Emergency contact person), followed by a circle, and then a second column of eight circles.
